## 6 IN 1® BIODEGRADABLE MULTIPURPOSE LUBRICANT

**6 IN 1 Biodegradable Multipurpose Lubricant**, commonly known as Bio-Bel 6 In 1 Lubricant, is a biodegradable, multipurpose lubricant formulated using a readily renewable bio-base.

**6 IN 1 Biodegradable Multipurpose Lubricant** is a high performance penetrating lubricant that cleans, protects and offers effective water displacement. **6 IN 1 Biodegradable Multipurpose Lubricant** is readily biodegradable and safe for environmentally sensitive areas such as marinas, boats and landscaping equipment, chain saws and on hunting and fishing equipment. Although **6 IN 1 Biodegradable Multipurpose Lubricant** is the product of choice for environmentally sensitive areas, it is a true high performance lubricant and can be used for a complete range of industrial and household applications.

### *Applications*

---

- ◆ Industrial – bearings, chains, conveyors, instruments, hand tools, parts disassembly
- ◆ Sports equipment – firearms, fishing reels, downriggers
- ◆ Automotive/Motorized – cables, hinges, locks, levers, threads, battery terminals
- ◆ Marine equipment – linkages, cables, hinges, locks
- ◆ Consumer – door hinges, locks, zippers, saw blades, metal drawers, cameras

### *Features and Benefits*

---

- |                             |                            |
|-----------------------------|----------------------------|
| ◆ High film strength        | Reduces friction and wear. |
| ◆ Penetrant and Rust Buster | Loosens frozen parts.      |
| ◆ Cleaner                   | Removes rust and grime.    |
| ◆ Protectant                | Inhibits corrosion.        |
| ◆ Eliminates moisture       | Displaces water.           |

### *General Description*

---

**6 IN 1 Biodegradable Multipurpose Lubricant** is a high performance biodegradable, multi-purpose fluid lubricant. **6 In 1 Biodegradable Multipurpose Lubricant** that contains special additives which provide high film strength to resist metal-to-metal contact and reduce wear. **6 IN 1 Biodegradable Multipurpose Lubricant** offers protection against corrosion and rust, as it displaces water and penetrates. It cleans as it lubricates.

### *Product No. 301672, 300971*
